ABOUT BITS PILANI DUBAI CAMPUS

BITS Pilani, Dubai Campus (BPDC) is the international campus of Birla Institute of Technology and Science, Pilani, India and is located at the Dubai International Academic City. Set up in the year 2000, it is among the pioneer institutions in Dubai, offering high-quality engineering and technology education. It attracts a diverse student population from the UAE, other GCC countries, Asia, Africa and Far East. BPDC offers B.E, M.E., M.B.A. and Ph.D. programmes in various engineering and allied disciplines, with nearly 2000 students from over 20 countries. The dynamic and vibrant campus has modern infrastructure and teaching/research facilities that enables BPDC to deliver a well-rounded education in an international environment by highly qualified faculty.

ABOUT HSS DEPARTMENT

The Department of Humanities and Social Sciences (HSS) at BITS Pilani, Dubai Campus serves a unique purpose by empowering technology. It trains the minds of technology students to think creatively, critically, and ethically, fostering curiosity. HSS is dedicated to strengthening the bridge that connects technology with humanity within an institute dedicated to the study and excellence in science and technology. The department has well-qualified faculty members from prestigious institutions who are experts in various domains of the humanities and social sciences disciplines. The HSS Department offers a PhD degree program and a diverse range of first- and higher-degree elective courses.

ABOUT THE CONFERENCE

The Department of Humanities and Social Sciences, BITS Pilani Dubai campus, in collaboration with the International Institute of Migration and Development (IIMAD), Kerala, invites students, academicians, researchers, activists, and other practitioners to submit their original research for presentation at the **BITS Pilani Diamond Jubilee Celebration International Conference 2025**. The conference will focus on the theme **“People on the Move: International Migration as a Catalyst for Achieving the SDGs”**. International migration can contribute to positive development outcomes and, ultimately, to realizing the goals of the 2030 Agenda for Sustainable Development specifically in fostering economic growth, reducing inequalities, and promoting social inclusion. The conference aims to create a platform for dialogue, knowledge exchange, and collaboration among policymakers, academics, international organizations, civil society, and private sector stakeholders. The conference will explore the role of migration in achieving the Sustainable Development Goals (SDGs) and how effective policies and partnerships can address migration-related challenges to foster a more sustainable and inclusive future, drawing from the fields of humanities and social sciences and other related disciplines.
